Why Exhibit?

*AHHRA appreciates
your support and values
your contribution to
make this event a great
experience for our HR
community.*

ahhra.org

The Arizona Healthcare and Human Resources Association, (AHHRA) invites you to not only attend, but participate as a Business Partner Event Sponsor at the Annual Conference in Scottsdale on

Friday, 20 May 2016.

The AHHRA Team is beginning the conference planning process earlier than usual, to enhance marketing to attendees. We are anticipating up to 75 Healthcare HR Professionals including VP's, Managers, Directors, Generalists and Recruiters from all over Arizona. The available sponsorship packages provide your company with a high degree of visibility and networking opportunities with your targeted Healthcare HR audience. If you wish, you are encouraged to participate in a door prize giveaway. However, in order to participate in the networking drawings, you must have the door prize with you at the conference. We cannot accept an IOU door prize.

Your attendance will contribute to the success and excitement of the conference and offer you and your company exceptional professional growth and networking opportunities. All conference education sessions are open to exhibitors.

Please see the following pages for conference agenda, area map and details on the packages offered.
